UIPM 2019 YOUTH WORLD CHAMPIONSHIPS (U19 & U17): KLIMIANKOVA (BLR) WEARS THE CROWN

Kseniya Klimiankova of **Belarus** stood on top of the world after being crowned individual champion in the Women's Final at the UIPM 2019 Youth World Championships (U19 & U17).

The 17-year-old won by a convincing 10sec margin from **Amina Tagirova** of **Russia**, with **Yoon Yangji** of **Korea** picking up bronze after holding off **Esther Fernandez Donda** of **Germany** by 1sec.

If individual silver was in any way disappointing for Tagirova (RUS), she could take consolation from winning team gold alongside **Yana Soloveva** (RUS) and **Iuliia Sergeeva** (RUS). Silver went to Germany and bronze to Great Britain.

Ever-prolific **Egypt** added another gold medal on the penultimate day of the combined age-group competition as **Moutaz Mohamed** and **Abu Bakr Aleadwy** won the U17 Men's Relay.

Russia duo **Denis Zuev** and **Evgeniy Bobylev** secured silver while bronze went to **Esau Florido** and **Mario Medina** of Mexico.

U19 WOMEN'S FINAL

There was no hint of the winning potential of Klimiankova (BLR) in the Swimming pool, where she was ranked 26th of the 36 competing athletes. Instead it was a local athlete who led the way, U17 champion **Svetla Zgurova** of **Bulgaria** in 2:14.41, ahead of Tagirova (RUS) in 2:14.77.

The Russians were prominent again on the Fencing piste as Soloyeva (RUS) managed an exceptional 31V/4D. **Georgina Mitchell** of **Great Britain** performed very well with 27V/8D. Klimiankova (BLR) made a move up the leaderboard with the third-best return of 25V/10D along with **Amira Kandil** (EGY).

The biggest mover in the Laser Run was Yoon (KOR), who recorded the best time of 12:32.50. As other contenders fell away, Klimiankova (BLR) and Tagirova (RUS) held their nerve to stay in control of the race.

U17 MEN'S RELAY

Russia (Zuev/Bobylev) set the pace in the Swimming pool with a time of 1:56.90. **Poland** duo **Michal Jablonski** and **Piotr Ziolek** and Egypt (Mohamed/Aleadwy) also ducked under the 2min barrier.

Egypt (Mohamed/Aleadwy) produced the fastest Laser Run time of 10:59.40, but Russia (Zuev/Bobylev) were not easily beaten and the final winning margin was only 3sec. An excellent Laser Run of 11:02.00 enabled Mexico (Florida/Medina) to make up three places and reach the podium.
